### JARDIN – RETTERSPLITZ LAUNCHES A HARMONISING ROOM FRAGRANCE

Nuremberg, September 2022 – *Retterspitz* is one of the oldest pharmacy brands in Germany and ever since stays for healing, caring and wellbeing for the past 120 years. Now, this long-established company is launching a new room fragrance: a natural fragrance experience named *JARDIN*.

Geza Schön, the renowned top perfumer who previously composed the *Eau de Parfum JUNIPER* for *Retterspitz*, was once again engaged to develop *JARDIN*.

### A WOODY, FLORAL BLEND OF FRAGRANCES

*Retterspitz Raumduft JARDIN* fills your home with a woody, floral blend of fragrances composed of bergamot and cardamom as well as freesia, jasmine and sandalwood. The citrusy scent of bergamot is revitalizing and uplifting, the floral note of freesia and jasmine soothes the soul, while the warm and spicy scent of cardamom conveys calm and comfort.

The secret to the memorable new fragrance's success was the cooperation between Geza Schön and the two *Retterspitz* company owners Florian und Markus Valet. Together, they were able to fine-tune the balancing fragrance of the *Retterspitz Raumduft JARDIN*.

Ultimately, the harmonising fragrance should do more than welcome you home and help you find your inner balance there. "It was important to us for *JARDIN* to also share the unmistakable essence and character of the *Retterspitz* brand," explain Florian and Markus Valet.
